

ATTENTION MANCHESTER SCIENTISTS!

All K-8 students, enrolled in Manchester Public Schools, are invited to participate in the *5th Annual Science Fair with Invention Convention*. Options for participation are as follows:

Science Fair – Kindergarten through Grade 8
Invention Convention – Kindergarten through Grade 8

The 5th Annual Science Fair with Invention Convention is your chance to investigate, invent or model and show what you discover! A great way to start is to visit your school's web page and click on the science fair link. You can also check the town or school library for books about science experiments and inventions.

If you plan to participate in the 5th Annual Science Fair with Invention Convention please return this form to your STEM Specialist.

Please Print Legibly:

Student Name: _____

School: _____ **Grade:** _____ **Teacher:** _____

I am interested in (check one): Science Fair Invention Convention
